ROAR

Tri or Quad Practicum

Part 1

Consider CS 2263 (the prerequisite course for this one)

- Create a list of the practices we discussed and used during that course on the course project.

Part 2

- Using this list and LucidCharts, now consider the Standard Activity Spaces
  - For each practice on the list, identify the activities for each practice and which space it fills
    - Construct a modified Standard Activity Spaces diagram depicting this
  - Consider for each, what are the required Competencies and Competency Levels needed for each
